SOI/PPPOI:

- CIG OSINT located a live stream posted to the Facebook page **Personal Info.** CIG has flagged the following key statement made by **Personal** during the 8-minute video:
 - "You can go up to the Hill and you can be up on the Hill. The police officers will not stop you if you are up there acting lawfully..."
 - "I am requesting everybody head up to the hill and start doing your protest stuff."
 - "I'm going to give key information on how to get in the city. [...] ubers and cabs are allowed in so you can UBER and cab in. [...] you gotta tell them that you are going to your hotel, or you're going to work. [...] if you have hotels, you can do a few things. Put your hotel confirmation number online and help other people out there to be able to use that confirmation number and get up to the hill."
 - As for the truck driver, we are working on a contingency plan right now. [...] I can't get in. I've tried. [...] they've got everything blocked for anybody to get in. So now it's going to take a lot more resilience from you guys. [...] stay peaceful, do not engage with the police officers. We're holding the line up there as much as possible. They are coming in to Riverside and Nicholas just had a big swarm of them come in. There's a tone of tow trucks sitting at Riverside. If we have any truckers by Coventry pull your truck up stick er' jackknifed onto Riverside Road and hold that fricken line. [...] don't let the tow truck drivers in.
 - "When you see a rotator, get their fucking license plates right away, we are going to tear a strip off of em'."
 - "To the tow truck operators out there, turn around."
 - "I will get into Ottawa. I will be coming in today."
